

STEVI HOPKINS

Bridal Artistry

Hello! Your bridal beauty awaits

Welcome to my little corner of the bridal world, where elegance meets expertise. With over 15 years of experience, I've had the privilege of working with brides around the globe, from intimate ceremonies to large-scale celebrations.

I create timeless, skin-focused makeup that enhances you, not masks you. My approach is warm, collaborative, and tailored to your comfort, so you feel like the best version of yourself, not a trend.

The gal behind the brushes

I started my career 16 years ago, completing my Diploma at The Academy of Makeup in Paddington. I explored different corners of the industry before landing a role at MAC Cosmetics, where after 3 years, I was faced with the decision to continue pursuing my career in retail cosmetics, or leap into the freelance world—and I leapt!

For the past 13 years, I've been deep in it, working full-time across local and international brand campaigns, commercial projects, International Fashion Weeks, Music Videos, and published editorials.

Beyond the work itself, I'm a lover of photography, animals, and the ocean. I feel deeply tuned into people, energy, and the beauty in small moments. Creativity fuels me in every way, whether it's painting, DIY projects or capturing life on 35mm.

Makeup might be my craft, but creativity and connection is what truly inspires me

THE BRIDAL EXPERIENCE

From the first consultation to the final touch-up, your bridal experience is curated with care.

I take the time to understand your vision, skin type, and unique style, crafting a look that not only enhances your natural beauty but withstands the emotions of the day.

Whether you're dreaming of soft, romantic glam or timeless elegance, your makeup will look as beautiful in person as it does in photos.

SIGNATURE SERVICES & PRICING

Every bride is unique, and so is the service I offer.

My bridal packages are customisable to include everything you need—trial sessions, wedding day application, and bridal party makeup. Your bridal look will be effortlessly luxurious, reflecting the beauty of your personality.

...more than the makeup

Your wedding morning sets the tone for the day, and I believe the getting-ready experience should feel just as special as the moment you walk down the aisle. Beyond creating a beautiful, long-lasting makeup look, I bring a calm, friendly presence to ensure the vibe stays relaxed and enjoyable. Whether it's sharing a laugh, keeping things on schedule, or simply being a reassuring presence, my goal is to make sure you feel your best inside and out.

All services include a skin-prepping ritual, premium products tailored to your needs, and a final touch-up to ensure you are fresh and vowe ready.

TESTIMONIALS

"

...Stevi did our makeup for a friends wedding and every single one of us were so happy with our makeup. I emailed her straight after this wedding and booked her for my own wedding the following year. The calm fun energy she brings to your wedding day is incredible and she is so talented at bringing out the best features in all faces. My mother and mother in law were also ecstatic with their makeup. The saddest part after my wedding night was removing my makeup as it still looked perfect!!! I had all confidence going into my day that my makeup would look amazing and Stevi delivered

Stevi is one of a kind! I trusted no-one else with my bridal makeup. An absolute wizard at her craft and such a joy to be around.

My nan and mother in law had never had their makeup done before and were quite apprehensive, but Stevi made them feel completely at ease, they even commented they felt like they were having coffee with a friend! What a gem!

If you do nothing but one thing when planning your wedding, it has to be booking Stevi. You won't regret it

Stevi did my wedding makeup for me and my closest friends. She was so professional, yet so fun! She found a way to connect to each girl she had in her makeup chair and added even more magic to my morning. She is a talented artist and fulfilled exactly what I envisioned. I couldn't recommend her enough
